

Questionnaire

OverView :

- We chose to make an online form to collect responses using google form as its for free not just trial for some days , it accepts in range of 10,000 responses and it doesn't require official email .
- First get the personal information from the applicant (name , gender , age) . “ section 1 “
- There are two paths if the applicant doesn't use these kinds of apps just ask for the reason and end the form .” section 2”
- Another path if he /she uses these apps , ask about the current apps , the features mostly used and the most annoying things usually happen .” section 3 “
- Then ask about some more details about the meeting like number of participants , the acceptable time for the meeting if limited , the number of meetings the applicant usually attends weekly and their duration . “ section 4 “

- Finally , if we suggest a new feature to help deaf people and to make some meetings possible without the presence of a translator using subtitles in meetings , ask if this will be useful for the applicant and if yes which language he / she needs. “section 5 “
